- Servant Leader

ACHIEVEMENTS

Eagle Scout | July 2007

SUMMARY

I am a retail department manager looking to put my software development skills to professional use by leveraging my strong work ethic, leadership experience, and teamwork-oriented demeanor to pivot into a new career

PROJECT EXPERIENCE

BRICKCOLLECT - github.com/CameronParis/brickcollect

- LaunchCode Apprenticeship project
- Website for tracking Lego collections and discovering new assembly possibilities based on a user's collection
- Java back-end leverages SpringData JPA and Spring Security for user data management
- Utilizes the Rebrickable API to access a rich database of Lego-related information
- Incorporates Thymeleaf and Bootstrap to enable multi-platform responsiveness

EMPLOYMENT

HOURLY SUPERVISOR at Walmart

Manchester, MO | May 2014 - Present

- Consumables Department Manager | December 2016 – Present
 - Consistently meet or exceed company in-stock metrics
 - Develop merchandising plans to achieve 5% sales comp
 - Supervise eight associates
- Meat Department Manager | February 2016 – December 2016
 - Supervised six associates; ensured adherence to food safety protocols
 - Monitored and corrected product flow to account for seasonal demand fluctuations; reduced average monthly loss from disposal by over \$1,000
- GM Support Manager | October 2015 – February 2016
 - Delegated tasks effectively to members of the general merchandise team to ensure successful completion of daily processes
 - Led preparation of all GM areas for evening store operations
- Automotive Department Manager | May 2014 – October 2015
 - Oversaw renovation and grand re-opening of Auto Care Center
 - Achieved a 20% year-over-year increase in both tire sales and service

EDUCATION

LaunchCode's Liftoff | December 2017

- Follow-up course for LC101, focused on Agile methodology, live-coding exercises, and UX design

LaunchCode's LC101 | June 2017
